Emailed: misty.adfield@nashville.gov

- 2) The Board of Parks and Recreation has first priority in scheduling events in all parks and / or facilities. All dates are reserved on a first come, first served basis. Event dates are not confirmed until an event application has been received and approved. An event permit will not be issued until all related fees have been paid.
- 3) Permits for fundraising events may only be requested by persons or organizations that hold a permit from the Tennessee Charitable Solicitations Board, bona fide educational institutions, religious organizations who have a 501(c) 3 status with the IRS and / or announced political candidates for public office.
- 4) If the event will include elements added to Park Facilities, such as staging, tents, rides, booths, inflatables, etc., a certificate of insurance must be submitted with this Permit Application. The policy must be in force for the duration of the Event and be issued by an insurance company licensed to do business in Tennessee, specifying public liability and property damage insurance with a single limit of not less than one million dollars (\$1,000,000), naming the Metropolitan Board of Parks & Recreation 2565 Park Plaza, Nashville, TN 37203, as additionally insured. No permit will be issued unless this certificate has been received. The Metro Department of Insurance may require additional coverage based on the scope of the event.
- 5) The Board of Parks and Recreation prohibits the reservation of park facilities by applicants that discriminate on the basis of age, color, disability, national origin, race, religion, sex, in the admission to, access to, or operation of their programs, services, or activities.
- 6) Any changes to the event description submitted with this Permit Application must be submitted in writing to the Centennial Sportsplex. Any aspect of the event not fully described in the Permit Application or an addendum submitted in accordance with this paragraph will not be covered by the permit or allowed in Park facilities.
- 7) Any event that has an impact outside of the rented Park Facility including streets and sidewalks will also require a Special Event Permit from Public Works. For more information, call Gordon Richard at 862-8597 or contact him by email at gordon.richard@nashville.gov
- 8) All events held on Metro Parks property must fit within the following guidelines:
 - A) The proposed activity or use of the Park must not unreasonably interfere with or detract from the general public's enjoyment of the Park.
 - B) The proposed activity or use will not unreasonably interfere with or detract from the promotion of public health, welfare, safety and recreation.
 - C) The proposed activity or use will not include violence, crime, disorderly conduct, or obscene language.
- 9) Any permit holder utilizing the services of a professional event organizer, promoter or the like must identify that person or organization in writing as per No. 5 of the Permit Application.
- 10) All special events to be held in parks requesting permission to have amplified music will be considered by the Board of Parks on a case by case basis. Each will be monitored by a Park staff member to assure proper sound levels. The staff member shall have the right to request a lowering

of sound levels, or to stop the performance if deemed absolutely necessary and in the best interest of the Parks Department and the immediate neighborhood. *NOTE: Board approval is not required for Riverfront Park, Cumberland Park, Red Caboose Park, Centennial Park Band Shell or Hadley Park Band Shell.*

- 11) Prior to but not earlier than six hours before each Event, the permit holder must perform an inspection of all Parks Facilities to be used and must report in writing to the Board of Parks and Recreation the presence of any damage or trash on the premises. All damage evident or trash remaining on the premises after the Event and not previously and specifically reported to the Board of Parks and Recreation as required in the preceding sentence will be considered to have resulted from the Event and must be rectified at the sole expense of the permit holder. Larger events may require that a representative of Metro Parks inspect the Park facilities with the event organizer. This will be determined by the Special Events Coordinator.
- 12) All events are required to recycle paper and plastic trash generated by the event. Event organizer must submit a plan on how recycling will be handled that includes the number of recycling containers and how the material to be recycled will be disposed. - 13) It is the permit holder's responsibility to return the park to the condition it was in prior to the permitted event or pay fees related to returning property to condition prior to event. Permit holders are responsible for ALL clean up after each event. The Board of Parks and Recreation reserves the right to require any permit holder of events where we determine an anticipated attendance of 1,000 or more, to post a \$500 - \$5000 deposit depending on size of event. The posting of a deposit does not relieve the Event permit holder from the responsibility for performing all clean up and correcting all damage relating to any Event. The permit holder agrees to reimburse the Board for all costs incurred in performing cleanup and repairs which, in the judgment of the Board, the permit holder has failed to perform. Cleanup and repair costs shall accrue at the rate of \$75 per man-hour. If cleanup or repair takes place on a holiday the cost shall accrue at the rate of \$100 per man-hour. These rates do not include any additional cost of cleaning supplies, basic landscaping materials and the like. The permit holder's deposit will be applied to cleanup and repair costs accruing under this paragraph. In addition, the permit holder agrees to reimburse the Board for cleanup, repair and material costs accruing under this paragraph that exceed \$500. Unused portion of a deposit, if any, will be refunded to permit holder.
- 14) The Board of Parks and Recreation reserves the right to require permit holders to provide, at their expense, as many off-duty Park Police as the Board deems necessary to assure the safety of the public and Park Facilities. The Metropolitan Government shall assume no liability for the actions of individuals as a result of issuance of a permit to consume alcoholic beverages on Park property. The permit holder will be responsible for monitoring the behavior of individuals attending the event.
